Webinar 2

Heritage Education for Heritage Conservation and Sustainable Development

Date and Time: Saturday, March 20th

Duration: 3 hours (10:00 – 13:00)

Sign up for a two-part webinar with a set of sessions revolving around the concept of Heritage Education and how it impacts the preservation of heritage and the fulfilment of sustainable development goals. In the first part, the webinar presents the experiences of educational departments' officers at the Egyptian Ministry of Tourism & Antiquities in educating and encouraging the young generation, local community, and people with special needs to connect with their culture, the sessions will present the purpose of creating, initiating and conducting programs and projects which aid in the conservation of cultural heritage and realizing the goals of sustainable development. The sessions of the second part are concerned with presenting and discussing some studies and research projects in the field.

Details:
